NATURAL ENVIRONMENT

Campers must take good care of GP3R Campground equipment at all times. They must leave their sites and any equipment they use in clean and proper order. Users may be billed for any damage done to campground equipment or ground. Trash must be placed in plastic bags and disposed of in designed trash containers located at the entrance of the camp ground.

Campfires are not allowed on our campground including propane fire by respect for the owner of the land.

Campers are asked to respect the natural environment. Cutting or damaging trees is prohibited.

GP3R cannot be held responsible for any material damage or personal injury to campers or visitors because of pets admitted to the campground, partial or total power failure, falling trees, fire, vandalism, theft, or material loss.
